Credit Card Agreement for Consumer Cards

Thank you for opening a Credit Card Account with United Bank. This Credit Card Agreement (“Agreement”) covers the use of your credit card account (“Account”) with us. It includes the Important Terms of Your Credit Card Account on the enclosed letter or the document that accompanies your Card, as well as any subsequent disclosures, all of which are incorporated here by reference. You accept the terms of this Agreement by using or activating your Account. If you have a joint Account, each of you is bound by this Agreement. Please read this Agreement carefully and save it for future reference.

Definitions

The meanings of many of the terms you see in this agreement appear in the Glossary Section. To make this Agreement easier to understand, we will also use the following personal pronouns:

“You,” “your,” and “yourself” mean each applicant and co-applicant for the Account; any person responsible for paying the Account; and anyone you authorize to use, access or service the Account. It also includes an Authorized User as defined in the Glossary Section.

“We,” “us,” “our,” and “United Bank” mean United Bank; and its agents, authorized representatives, successors, and assignees.

The combination of terms that could apply to you will differ depending on your creditworthiness at the time of application. The Agreement contains important information related to consumer credit cards issued by United Bank.

*Your APRs will vary with the market based on the Prime Rate, except for the balance transfer APR. The Prime Rate is the highest bank prime loan rate as published by the Wall Street Journal in its Money Rates Section on the 15th day (or the next business day if the 15th is not a business day) of the calendar month preceding the first day of the billing period. If the Periodic Rate(s) and corresponding Annual Percentage Rate(s) increase, your interest charges will increase and your minimum payment may be greater. Your Purchase APR will equal the Prime Rate plus a margin of 4.74 to 12.74 and your Cash Advance APR will equal the Prime Rate plus a margin of 12.74.

Military Annual Percentage Rate

Federal Law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the costs of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the cost associated with credit insurance premiums, fees for ancillary products sold in connection with the credit transaction, any application fee charged (other than certain application fees for specified credit transactions or accounts), and any participation fee charged (other than certain participation fees for a credit card account). You may contact us at 1-800-658-0899 for information about the Military Annual Percentage Rate and a description of your account opening disclosures.

Paying Interest

You may avoid paying an Interest Charge on the purchases balance by paying the entire New Balance by the Payment Due Date each month. If you have been paying your account in full with no interest charges applied and you do not pay your next bill in full, prorated interest charges will be assessed. An Interest Charge will continue to accrue on the cash advance balance until paid in full. If your account has a cash advance or promotional balance, this may impact how we are required to apply your payments and whether you can avoid Interest Charges on purchases.

Grace Period

"Grace Period" means the period of time during the billing cycle when you will not accrue interest on certain transactions or balances. There is no grace period for Balance Transfers or Cash Advances; we begin charging interest on Balance Transfers and Cash Advances on the transaction date. We will not charge interest on Purchases on the next statement if you pay the New Balance Total in full by the Payment Due Date.

How We Calculate the Balance for Interest Charge

We calculate a Daily Balance for your Account balance. We maintain separate balances for your Purchases, Cash Advances, and special promotions (i.e., a "Balance Type") and calculate a Daily Balance for each. To determine the Daily Balance for a Balance Type, we take the beginning balance for the Balance Type, add any new charges included in that Balance Type, and subtract any payments and credits applied to that Balance Type. We then multiply the resulting balance by the applicable Daily Periodic Rate and that Daily Interest Charge is included in the beginning balance of that Balance Type for the next day. Purchases and Cash Advances are included in the Daily Balance as of the later of the transaction date or the first day of the billing period in which the Purchase or the Cash Advance is posted to the Account. Cash Advance fees are included in the Daily Balance of Cash Advances, and all other fees are included in the Daily Balance of Purchases, when posted to the Account. At the end of the billing period, we will add up the Daily Interest Charges on all Balance Types for each day in the billing period to get the Total Interest Charge for the billing period. The Balance Subject to Interest Rate shown on the front of the statement is the average daily balance which is multiplied by the number of days in the billing cycle and the periodic rate applied to the Balance Type to determine the amount of interest.

Account Documents

Your Account with us is governed by the following documents:

- (1) This document;
- (2) All Statements;
- (3) Personal guaranty if applicable;
- (4) All rewards information and documentation, if your Account has rewards;
- (5) Any Privacy Notices describing our limitations on sharing information about you with others;
- (6) The "Security" Agreement if you have a secured Card;
- (7) All disclosures and materials provided to you before or when you opened your Account, including;
- (8) All other documents and disclosures relating to your Account including those provided online; and
- (9) Any future changes we make to any of the above things.

Please read these carefully and keep them for future reference. An image of any of these can be used instead of the original.

Credit Limits

When you open your Account, you will receive your credit limits. These will also appear on your Statements. We might also refer to your credit limits as your credit lines. We may give you different credit limits for the different Segments of your Account. For example, you might have a different credit limit for purchases than for Cash Advances.

You are responsible for keeping track of your Account balances and your available credit limits. Do not allow your Account to go over any credit limit. We may still honor transactions above your credit limits, but our honoring of these transactions will not increase your credit limit.

We may also increase, decrease, restrict, or cancel your credit limit on any Segment at any time. This will not affect your obligation to pay us.

Using Your Account

You promise to follow the terms of this Agreement as long as your Account remains open or has a balance. Please sign the Card immediately when you receive it. The Card is valid during the dates provided on the front. The Card is our property, and you will return it to us or destroy it if we ask.

You will take reasonable steps to prevent the unauthorized use of your Card and Account.

We are not responsible if anyone refuses to accept your Card for any reason. Also, we may reject any transaction for any reason. Unless we tell you otherwise, we will bill each transaction to the applicable Segment of your Account and apply it against your available credit limit for the Account and Card for that Segment in each Billing Cycle.

You may also obtain Cash Advances and Transfers if they are permitted for your Account. Unless we agree, you may not use a Transfer to transfer amounts from other Accounts with us.

You must not use, or try to use, the Card for any Internet gambling transactions or transactions that are illegal or not permitted by us. You will still be responsible if you do. In addition, these transactions will be subject to this Agreement, and you might have to reimburse the Payment Card Network and us for all damages and expenses.

From time to time, due to circumstances beyond our control (such as system failures, fires, floods, natural disasters or other unpredictable events) our services might be unavailable. When this happens, you might be unable to use your Card or obtain information about your Account. We will not be responsible or liable if this happens.

Rewards

Your Account might provide you with the opportunity to earn rewards. If it does, we will separately provide you with all information and terms about your rewards. We will include on your Statements all rewards you have earned. It might take up to two Billing Cycles for your earned rewards to appear on your Statement. Not all consumer credit card applicants are eligible for rewards. Eligibility for rewards is based on the consumer's credit.

Using a PIN

We may give you a personal identification number (PIN). For security reasons, you might have to provide the PIN before you are able to complete some transactions using the Card. With a PIN, you may use your Card to obtain cash from certain automated teller machines (ATM). You may do these things if the ATM requires entry of a PIN and displays the logo of the Payment Card Network on your Card. We will treat all ATM transactions as Cash Advances.

You should keep your PIN secure and not write it down, give it to anyone, or keep it with your Card. If you lose your Card or believe that someone has gained unauthorized access to your PIN, you must contact us immediately.

Authorized Users

You may ask us to add one or more Authorized Users with additional Cards on your Account. If we agree to your request, we will need certain information about the Authorized User to manage your Account. This will be the same information you provided about yourself as described in the Account Information Section. We may limit an Authorized User's ability to initiate certain transactions. If we do, we will tell you about these limitations before adding any new Authorized User on your Account.

Once we add an Authorized User to your Account, we may discuss your Account with them and provide them with Account information. You will be responsible for the Authorized User's use of the Card and your Account as well as anyone else they allow to use your Card or Account. This will be true even if you did not want, or agree to, the use.

Removing an Authorized User

If you want to remove an Authorized User from the Account, you must contact us as provided on your Statement and request their removal. We will have a reasonable amount of time after your request to research the situation and remove them. You also must immediately destroy all Cards in their possession and cancel all of their billing arrangements to the Account. We will not do this for you. During this time, you still will be responsible for all amounts they charge to the Account. You will be responsible even if these amounts do not appear on the Account until later. An Authorized User may remove himself/herself from the Account upon request. We may close your existing Account and/or issue a new Card with a new Account number.

Your Promise to Pay

You promise individually and jointly to pay us all amounts due on your Account. This includes amounts where you did not sign a purchase slip or other documents for the transaction. If you use your Card number without presenting your actual Card (such as for mail, telephone or Internet purchases), this will be treated the same way as if you used the Card in person. If you let someone else use your Card, you are responsible for all transactions that person makes. Your promise to pay us will apply to your estate if you die.

Joint Account

If this is a joint Account, a default by one of you will be a default by all of you. A court decree for divorce or separation or a non-court mutual agreement does not affect our ability to enforce this Agreement or collect the Outstanding Balance against all liable parties if we were not a party to the decree or agreement.

Guaranty

In the event your Account is secured by a Guarantor, you agree to provide the Guarantor with all notices due you. You specifically grant the Guarantor a right to access your account information, including but not limited to your payment history, statements, and personally identifiable information. You acknowledge that you have waived some privacy rights by having a guarantor on your account.

Statements

We will send you one Statement for all Cards on your Account unless the law does not require or permit us to send a Statement. Statements will be sent at the end of each Billing Cycle when your Account has activity and/or a balance. Your Statement will show all transactions billed to your Account during the Billing Cycle along with other important Account information.

If your Account is closed or suspended for any reason, you must stop using your Card. You must also cancel all billing arrangements to the Account. We will not do this for you. If we close or permanently suspend your Account, you must also destroy all Cards. You must still pay us all amounts you owe on the Account, even if they are charged after your Account is closed or suspended.

Disputed Transactions

You must inspect each Statement you receive and tell us about any errors or questions you have as described in the "Billing Rights Summary" part of your Statement and other account Disclosures. If you do not notify us as provided in those disclosures, we may assume that all information in the Statement is correct.

If you dispute a transaction made by you or someone else on your Account, and we later credit your Account for all or part of the disputed amount, you give us all of your rights against that other person. You also will:

- (1) Not pursue any claim or reimbursement from the merchant and that other person; and
- (2) Help us pursue and get reimbursement from the merchant and that other person; your help includes giving us documents that we ask for and that are acceptable to us.

Billing Rights Summary

If you think there is an error on your statement, write to United Bank, c/o Card Services, PO Box 869, Zebulon, GA 30295 or complete the Dispute Form in one of our United Bank offices.

In your letter, give us the following information:

- (1) **Account Information:** Your name and account number;
- (2) **Dollar Amount:** The dollar amount on the suspected error;
- (3) **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- (1) We cannot try to collect the amount in question, or report you as delinquent on that amount;
- (2) The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount;
- (3) While you do not have to pay the amount in question, you are responsible for the remainder of your balance;
- (4) We can apply any unpaid amount against your credit limit.

Changing your Account Terms and Agreement

We can change the terms of your account as permitted by law. When required, we will send you notice before doing so. At any time, we may add, delete or change any term of this Agreement unless the law prohibits us from doing so. We will give you notice of any changes as required by law. If we do notify you of changes, we will send you a separate notice or inform you on your Statement. We may send this notice to you electronically as permitted by law. Our notice will tell you when and how the changes will take effect and describe any rights you have in connection with the changes.

Your variable Annual Percentage Rates (if applicable) can go up or down as the index for the rate goes up or down. If we increase your Interest Charges for any other reason we will notify you in writing. If we increase your Fees or other terms of your Account we will notify you in writing and inform you of your options in advance, including the right to opt out of some of these changes.

We may increase your Interest Charges for new transactions and your Fees after the first year in which the Account has been opened. Also, if your payment is not received within 60 days after the payment due date, we may increase your Interest Charges and Fees for existing balances and new transactions at any time. We may change any other terms of your Account at any time.

Transactions Made in Foreign Currencies

If you make a transaction in a foreign currency, the Payment Card Network will convert it into a U.S. dollar amount. The Payment Card Network will use its currency conversion procedures in effect when it processes the transaction. The conversion rate in effect on the processing date might differ from the rate in effect on the transaction or posting date. We do not currently adjust the currency exchange rate or charge any additional currency conversion Fees.

No Warranties

Except as otherwise provided in the "Billing Rights Summary" section of your Statements, we are not responsible for any claim you might have regarding the purchases of goods or services made with your Card.

Merchant Refunds and Returns

If you are entitled to a refund for goods or services purchased with your Card, you will accept these refunds as credits to the purchase Segment of your Account. We do not control when a merchant sends us your refund. We will also have a reasonable amount of time after we receive your refund to process it.

If a merchant has a policy such as “no returns,” “no refunds,” “no return or credit without receipt,” “as is,” “store credit only,” or “all sales final,” you will be bound by that policy. If a merchant does not disclose a policy, you should ask what the return policy is to protect yourself.

We may refuse to accept any payment made by someone else for your Account. If we accept a payment made by someone else for your Account, you will be responsible for the payment made even if that payment is rejected or not paid.

Even if we credit your payment to your Account, we may delay the availability of credit until we confirm that your payment has cleared. We may resubmit and electronically collect returned payments. We may also adjust your Account as necessary to correct errors, to process returned and reversed payments, and to handle similar issues.

We will not be responsible if an item you provide has physical features that when imaged result in it not being processed as you intended.

How We Allocate Your Payments

If your account has balances with different APRs, we will allocate the amount of your payment equal to the Total Minimum Payment Due to the highest APR balances first (including transactions made after this statement). In addition, if you are in default, we may take the following actions without notifying you, unless the law says that we must notify you:

- (2) Lower your credit limits;
- (3) Increase your minimum payment;

If you ask us to discuss your Account with someone else, you must provide us with documents that we ask for and that are acceptable to us.

Credit Reports

We may provide information about you and your Account to consumer (credit) reporting agencies and others as provided in our Privacy Notices. Information we provide might appear on your credit report. This could include negative information if you do not comply with the terms of this Agreement. We may obtain and use credit and income information about you from consumer (credit) reporting agencies and others as the law allows.

Re-Verification of Credit Information

We can reinvestigate any information you provided on your credit application at any time, and in the course of doing so, we may ask you for additional information, request credit bureau reports, and otherwise verify your credit standing. You authorize us to investigate your credit, employment assets, and income records and to verify your credit references. From time to time we may obtain follow-up credit reports on you.

The Law that Applies to Your Agreement

We make decisions to grant credit and issue you a Card from our offices in Georgia. This Agreement will be interpreted using Georgia law. Federal law will be used when it applies. Unless otherwise prohibited by law, You agree that Our principal place of business is the venue for disputes.

You waive any applicable statute of limitations as the law allows. Otherwise, the applicable statute of limitations period for all provisions and purposes under this Agreement (including the right to collect debt) will be the longer period provided by Georgia or the jurisdiction where you live. If any provision of this Agreement is determined to be unlawful, the rest of the Agreement will stand and the unlawful provision will be deemed amended to conform to the law.

Waiver

We will not lose any of our rights if we delay taking any action for any reason or if we do not notify you. For example, we may waive your Interest Charges or Fees without notifying you and without losing our right to charge them in the future. We may always enforce our rights later and may take other actions not listed in this Agreement if the law allows them. You do not have to receive notice from us of any waiver, delay, demand or dishonor. We may proceed against you before proceeding against someone else.

Assignment

This Agreement will be binding on, and benefit, any of your and our successors and assigns. You may not transfer your Account or your Agreement to someone else without our written permission.

We may transfer your Account and this Agreement to another company or person without your permission and without prior notice to you. They will take our place under this Agreement. You must pay them and perform all of your obligations to them and not us. If you pay us after you are informed or learn that we have transferred your Account or this Agreement, we can handle your payment in any way we think is reasonable. This includes returning the payment to you or forwarding the payment to the other company or person.

Glossary

- **“Account”** means your Card Account with us.
- **“Account Owner”** means you established the Account, signed an application or other document establishing your liability, or made a transaction or payment knowing that your name appears on a Bill for the Account. If your name appears on a Bill, this means our records show you are a Cardholder.
- **“Annual Percentage Rate” or “APR”** is an annualized interest rate. Different APRs may apply to different balances on your account, such as your purchase balance or your cash advance balance. We use the APR that applies to each balance to calculate the interest that you owe us on the account.
